A time of Sorrow

Tom and Shelly Bye suffered a tragic loss this past week when they laid their 3-week old child, Nicholas Anton Bye, to rest. Nicholas past way on Sunday, April 1st, his service was held on Wednesday. Tom and Shelly, you are in our thoughts and prayers.

Magic 8 ball

This time of the year is very nerve racking for people like us because we are unsure of what the future will bring. March, in the past, was the time when most bids had come out. This year a majority of them have not come out yet and we are patiently waiting to get our shot at them. There are a lot of bids coming out in the near future.

Safety Meeting Skippers

In the first week of March we had our annual safety meeting. For some employees it was impossible for them to attend, but that does not mean they are in the clear. We are having a make-up meeting for everyone who could not attend. The make-up meeting is scheduled for Tuesday, April 17th from 6:30pm- 8:30pm. I will place a reminder in your check this week if you need to attend.

The Big 4-0

There was a milestone Birthday experienced by one of our fellow co-workers. Vicki Senger turned 40 years old this past week on April 3rd. Also this month Sam Thomsen has a Birthday on April 12th. Richie Olson's Birthday is April 21st, lucky for him it is not on a Wednesday.

2 way fixing

While there is still time we are trying to get everyone prepared for the busy season. We are taking a look at 2-way radios. We need to know if you are having a problem with your radio. If you have a problem you can just drop off your radio at the new shop to be taken in. When you drop it off you need to include the mic and the side screws so it can be tested at the repair shop. We need your help to get ready for the summer.

Do you have a CDL?

If you have a CDL and you are driving a truck for us you need to be filling out your Daily reports. This was brought up at in the safety meeting and we have already been called on to comply by the law enforcement. Thank you for your cooperation.

The Green Vest

By the end of the week the new Green Vests will be in. Over the next few weeks I will be passing these out to everyone. The vests are required to be worn by everyone at all times.

Trivia:

Guess who is over the hill?
