The First of the Year

As a new year lies ahead of us, take a minute to look back on all the jobs we worked over in 2000. A year ago our hands were full with hauling tailings and deteriorated beets out of American Crystal. Then came the light snow removal job. The spring lead to some early projects, demo in the Forest Court. We spent some time in Kittson Co. helping with a bridge project. The road jobs were in Marshall, Polk, Pennington, Roseau, and Beltrami Counties totaling around 27 miles. The box culverts ended up all over northern Minnesota, some by Crookston, Grygla, Warren, and Stanquest. Who could forget the emergency work for Super Target and Amtrak. The legendary Deacons Green that some people would like to forget. We worked on the streets in EGF, Taft elevator, Hillsboro elevator, Farmers Finest, China Garden Demo, Concrete Inc, Western Wireless, AGSCO, Crookston Beet plant, EGF Beet Plant, ND State Mill, and many Ring Dikes. This is just a glance at all the work that you did this year. I'm sure this list reminds you of all the fun time you have had the past year.

January Birthdays

As if these guys need more reasons to party, it just so happens that their Birthdays falls in January. On New Years Eve when everyone was counting down the minutes to the New Year Sherman Stortroen was counting the minute to his birthday, which is January 1st. Fresh into the New Year Gary Boman celebrates his birthday, on January 5th. John Zavoral birthday falls on the lucky 13th. Last but not least is my new cousin to be Blayne Vonasek on January 16th.

Family Housing Loan

If anyone is looking to buy or build a new home in Polk County contact the office. R.J. Zavoral & Sons are a member of the Polk County Single Family Housing Loan Pool Program. This program offers up to \$8,000 to new builders. If you need more information contact the office for the details.

Loads Problems

The new challenge in the office to find a better way to bill for truck loads. The solution is very simple. We need all employees running Volvos or Dump trucks to count their loads. The loads need to be turned in on the time slips. Thank you.

Some Thanks

Dan Zavoral would like to thank everyone for sending in their equipment repair sheets. Let's hope there is enough cold time to get to it all.

Free Stuff

With the beginning of the new year we have acquired a lot of pocket calendars and regular calendars. Stop by and visit and take home your very own.

New Health Alert

As of January 15th of this year Principle Insurance is changing its Health Insurance policy. To find out more about the change, we have copied some information on the back of this letter. If the information does not answer your questions we can set up a meeting in the future.
